Is your organization's paper-based, manual method for managing child support payments too slow, complicated and costly? You need a one-stop, one-of-akind electronic platform that's quick, easy and secure.

ExpertPay® speeds and simplifies child support payments.

- Makes managing, processing and submitting child support payments to state agencies as easy as a click
- Allows employers/payroll service providers from all 50 states to remit electronic child support
- Ensures lock-tight security is a key part of remittances
- Works for everyone involved in child support payments, employers and payroll service providers, States and noncustodial parents.

It crosses state lines

- Multi-state platform avoids time-consuming state "rabbit holes"
- Works the same across all 50 states and three territories

 no need to figure out every state's disbursement
 process
- Ideal for employers with employees and/or withholding orders in multiple states
- All employees and all states can be managed in a single session

It saves money

- More cost-effective than internal A/P and payroll departments' manual processes
- Savings over paper check writing, processing, mailing and postage costs
- No losses due to checks lost in mail

It speeds payments

- Enables quick, easy remittance to states via a simple electronic platform
- Accelerates payments from states to custodial parents vs. one to two weeks via snail mail

It simplifies compliance

- Withholding orders
- NACHA and ACH network regulations
- Legal obligation to quickly remit state court-ordered child payments for employees
- States' digital submission requirements more will be required in the near future

It makes life easier

- Remits for multiple employees with one click
- Simplifies and accelerates employer's multi-state child support payments to state agencies
- Allows remittance of any amount no dollar limits to state agencies
- Reduces back-office backlog, streamlines operations

With ExpertPay®, managing, processing and submitting child support payments is as easy as click, remit, done!
