

End to end solutions for transforming community health

Maximize your community impact

Through advanced cloud-based technology and expert services – we deliver on better community health and total health outcomes.

About Conduent

Conduent is the world's largest provider of diversified business process services with leading capabilities in transaction processing, automation, analytics and constituent experience. We manage interactions with patients and the insured for a significant portion of the U.S. healthcare industry. Whether it's digital payments, claims processing, benefit administration, automated tolling, customer care or distributed learning – Conduent manages and modernizes these interactions to create value for both our clients and their constituents.
