I affirm that I have not provided, am not providing, and will not provide confidential information to Conduent Business Services, LLC or its affiliates (“Conduent”) regarding my Submission and agree that Conduent and its employees can treat any communication that is or was relating to my Submission as non-confidential regardless of when or how it is transmitted, labeled or described. I affirm that I own and control my Submission and have all rights necessary to share my Submission with Conduent. I acknowledge that Conduent will only consider written materials and drawings in evaluating my Submission. I fully understand and agree to the above terms and all other Conduent indicated policies, conditions and requirements in this document for any Conduent evaluations of my Submission.

I further agree that:

1. I will rely only on patent rights or copyrights that I have or may obtain for any legal claims or assertions relating to my Submission, now or in the future, and not on any alleged trade secrets.
2. Nothing in this agreement affects any patent rights or copyrights of Conduent or me. Both Conduent and I remain free to contest the validity or infringement of any patent or copyright and remain free to use any information already in the public domain.
3. Nothing in this agreement, or from Conduent's acceptance of my Submission for review, implies any need for any patents or copyrights by Conduent. I therefore do not intend, and I agree that I will not allege, that my Submission is evidence of actual or constructive notice of infringement.
4. Nothing in this agreement creates a contract with Conduent for review or assessment of my Submission, or an obligation that Conduent or I enter into a business arrangement concerning my Proposal. Conduent will consider my Submission only so far as, in Conduent’s judgment, it deserves consideration. I agree that Conduent assumes no obligation, express or implied, to provide, and I agree that I will not request that Conduent provide, any details about Conduent’s evaluation of my Submission.
5. No modifications to Conduent Policy, this Agreement, or any other contractual obligations or other understandings between Conduent and myself are authorized to be made by any Conduent employee without a formal written agreement approved by the Conduent Law Department.
